

“Talking It Out”

December 19th

Our “Talking It Out” discussion sheet is intended to help get conversation started and make connection a bit easier. Our hope is that processing the question of the week together will help you step into community.

Question Of The Week

- **Before Joseph understood what God’s plan, he would have said the first Christmas brought chaos into his life. In the end, the first Christmas taught him that no matter how messy life gets, God is in the midst of it. He experienced Immanuel, “God is with us.”**
 - *When has life felt like chaos for you?*
 - *How did God show up in the midst of it?*
 - *In the midst of anxiety, difficulty, our worst moments, and in the midst of our mess, God is with us. What thoughts or feelings does this statement stir? What experience does it cause you to remember?*
 - *What learning from 2020 will you carry with you into the New Year?*
